—An overview of the decided cases suggests the need to re-interpret the dynamic import of the 'equality clauses' and, to stress again, beyond reasonable doubt, that the paramount law, which is organic and regulates our nation's growing life, must take in its sweep ethics, economics, politics and sociology. The 12th Edition offers essential opportunities to teach and engage students in these processes and patterns. Topics that are tied to students real-world concerns such as global environmental change, along with new videos, photography, online lab resources, and updated interactive tools, make it the most effective learning program for physical ...
